

OCEANE DAUMASSON

914-454-8818 | oceane.daumasson@gmail.com | [Portfolio](#)

Computation Arts and Computer Science student exploring the intersection of programming, design, and interactive media.

SKILLS

PROGRAMMING

C#, C++, Java, Python, HTML, CSS, JavaScript, Flask

LANGUAGES

English, French

TOOLS & SOFTWARE

Unity, Blender, Max/MSP, Adobe Creative Cloud, Git

EDUCATION

Bachelor of Computer Science
*Joint Major in Computation Arts
and Computer Science*

Concordia University, Montreal CA
2023 - 2027
GPA: 3.7/4.3

PROJECTS

AGAINST ACCESS

[\[Link\]](#)

HTML, CSS, JavaScript

- Built an interactive video archive where user navigation triggers progressive pixelation, displacement, and distortion of personal footage
- Applied new media theory to explore intimacy, privacy, and self-representation in digital spaces

DIGITAL DIARY

[\[Link\]](#)

OpenAI API, Python, Flask, HTML, CSS

- Built and deployed a full-stack web application, integrating the OpenAI API to generate dynamic responses
- Designed the interface, exploring how visuals and tone shape human-AI interaction

GENERATIVE AUDIO-VISUAL SYSTEM

[\[Github Link\]](#)

Max/MSP

- Built a real-time generative visual system driven by particle dynamics and chaotic attractors
 - Connected audio output to create an audio-reactive system.
-

PROFESSIONAL EXPERIENCE

LEAD INSTRUCTOR *Bizzy Girls*

Aug-Sept 2023, 2024

- Led a summer entrepreneurship camp teaching product and brand design fundamentals to kids aged 8-14

ART TEACHING INTERN *Daniel Warren Elementary*

Apr-Jun 2023

- Coordinated a school-wide student art exhibition and led project-based activities
